

# Pragmatic Project Consilium

**YOUR STRATEGY PARTNER FOR HEALTHY  
PROJECTS & SUCCESSFUL CLAIMS**

# WHAT WE AIM?

The construction sector is one of the largest in the world economy, with the contribution of \$10 trillion. However, in recent decades the industry is facing a notable burden on the performance due to the unresolved Contractual disputes.

We, Pragmatic Project Consilium is a counsel of experts in Projects, Contracts and Claims management from various fields of construction, aims to indulge the global challenges and boost efficient performance of projects and resolve the contractual claims, disputes and facilitate the non-performing and underperforming assets of the contractors back to live economy.

Will add with Good effort, meeting objectivity, correctness before delivering our services.

We primely focus on Dispute avoidance.
